IMPERIAL BRITAIN

A BIOGRAPHICAL & DESCRIPTIVE RECORD
OF SERVICES RENDERED TO KING & EMPIRE
DURING THE WAR FOR FREEDOM. 1914-1919

Rbt. A. Falconer, Esq.,
President University of Toronto.
Toronto.

25th September, 1919.

Dear Sir,

I beg to enclose a prospectus of a work now in active preparation in which I should much like to include a Biographical record of yourself, dwelling particularly upon your activities in connection with the War just ended.

The efforts put forth by Canadians have been of such a character that it is essential that Canada should be sufficiently, nay, well represented, and I am anxious that this should be so, but as the distance is too great, and the time at my disposal too small, to enable me to arrange for a personal interview, I am compelled to approach you through the mail.

Will you kindly co-operate with me by sending me a concise sketch of your career, being careful to give as full details as possible of your War work? A typewritten copy of the sketch we propose to use will be sent for your approval, or correction, before being put into type.

The work, which has the support of a very large number of the principal personages in the United Kingdom, Australia and South Africa, is being published by subscription $52 (i.e., £10.10.0d.) Naturally you will desire to possess a copy of this interesting volume, and I therefore enclose an order form which I shall be glad to receive from you duly signed at the same time as you send me the particulars asked for above, accompanied by your cheque for $52 made payable to "Imperial Britain", or if you prefer it, your permission to draw upon you at 30 days.

Trusting to hear from you by an early mail,

I am, Yours faithfully,

G. Mook.

for The Editor.

My dear Sir:

I am sorry that owing to the great demands that are made upon me it will be impossible for me to purchase the work which you are preparing on "Imperial Britain". At present it is necessary for me to be careful in regard to my expenditures. In view of having to make this decision I think that it would not be quite the proper thing for me to send you a record of any work that I was able to do during the war. The general details of my career have already been published in "Who's Who" and other publications, and I am hardly in a position to add anything to them.

I am,

Yours sincerely,

President.
